

“Rated 3-1/2 Stars by Golf Digest Magazine”

We invite you to experience our new course renovations on one of the flattest courses in Western PA, making Lake Arthur a great choice for walkers. Large white sand traps challenge play on the front nine while water on six holes on the back nine tests every golfer’s skill – especially #18, requiring shots over two lakes to reach the green. Yardage markers help improve play on this open course, and daily tee times are available. Dining room, bar, snack bar, outdoor pavilion, fully-stocked golf shop and outing packages also are offered.
