

“Rolling contoured fairways, challenging greens, deep grass bunkers”

Located in the rolling hills of western Pennsylvania’s farm country, this beautiful 18-hole public golf course is just 30 minutes from Pittsburgh. Suncrest Golf Course is nestled in a beautiful wooded setting where wildlife abounds. The par 5’s are challenging and the par 3’s are long. Most of the holes are tree lined and will provide an exciting challenge for all, regardless of handicap. The elevated tees and well-groomed fairways add pleasure to your peaceful round. End your experience at the 19th hole, where you will be greeted by our friendly staff and a well-stocked snackbay/lounge.
